- All members of KRDBC must also pay a site use fee to the **Canoe Club (Freehold) Limited**, our landlords, which can be done on completion of their form, available online on the members' area of Kingston Royals website and at the Club. The CCFL membership runs a year from joining date. Please note that your use of the site ends with the expiry of your CC(F)L registration, not with the Dragon Boat section.
- Before you can race for the Club at BDA events, or helm or coach, you will need to join the BDA (www.dragonboat.org.uk).

Declaration

- I am able to swim at least 50m in wet clothing without a buoyancy aid.
- I have been briefed on the BDA recommendations regarding buoyancy aids, and recognise that if I choose not to wear one then I do so at my own risk.
- I take responsibility for ensuring that I am dressed adequately for the conditions, and agree that I will not wear anything (including personal accessories, equipment or jewellery) which may impede my ability to escape from a capsized boat or swim unaided once in the water. I accept the risks of immersion into cold water should the boat capsize. *Advice on these subjects is available from the Club.*
- I have been briefed on the capsize/swamping procedure.
- I agree to abide by the Rules of the Club. **I shall keep myself acquainted with the BDA and Kingston Royals Safety Policies.** *These are available on the members' area of the Kingston Royals website and at the Clubhouse.*
- I undertake to provide the Club with details of a disability or medical condition which may affect my participation in Club activities, e.g. epilepsy, asthma, diabetes, heart problems, injury or allergies. I also undertake to inform the Club if subsequently I develop any medical condition or disability which may affect my taking part in Club activities. I understand that this information will be passed on in confidence to selected coaches/committee members in order to minimise any risk to myself and others.
- I am over 18.
- I give permission for photos of myself to be displayed on the Club's website or in other media the Club produces.
